Summary:

Office Password Recovery Toolbox is a comprehensive solution for problems with a protected document in MS Office. It instantly recovers passwords for Microsoft Word, Excel, PowerPoint, Access, Outlook files, as well as VBA project passwords.

The program allows to remove "open" password for documents created in MS Word and Excel 97/2000/XP/2003 and protected with the standard method (compatible with Office 97/2000). Recovery or removal of the "open" password for MS Word, Excel, PowerPoint 2007/2010 documents is not supported by the program.

Pricing Options:

Personal license gives you the right to use the software in non-business, non-commercial environment (at home), or in non-profit organizations (schools, universities).

Business license gives you the right to use the software in a corporate, government or business environment.
